9.  LIAISON Called Don Sanders, Special Counsel, Morgan-Schmitt Senate Select Committee on Ethics Subcommittee. I told Sanders that we were having difficulty coordinating the changes he had requested in the draft Memorandum of Understanding between the DCI and the Subcommittee relating to Agency review of notes derived from CIA material. Sanders said that the request that the Subcommittee's notes not be reviewed had come from Senators Robert B. Morgan (D., N. Car.) and Harrison H. Schmitt (R., N. Mex.), and that he could not on his own retreat from the position the Subcommittee had taken. Sanders and I agreed that he would delay raising the matter with Senators Morgan and Schmitt until further efforts could be made to coordinate the requested changes.

11.  LIAISON Received a call from Diane LaVoy, House Permanent Select Committee on Intelligence staff, in which she requested minutes of the Watch Committee meetings on October 4 and 6 of 1973. She said that Dick Lehman, Deputy Director, NFAC, urged her to read these minutes since he believed they would help her to get a better grip on some post-mortem reports she has been reading. Have passed this request on to  NFAC/CSS.
